Dear PTA Leaders,

Mississippi PTA is excited to announce that we've teamed up with MemberHub to provide their valuable online tool to all PTAs in **Mississippi** ...**free of charge!** MemberHub makes it easier to run your PTA -- engage families, raise funds, stay in good standing, and more. You'll save hours on admin tasks, so you can focus on connecting with your children and engaging your school community.

MemberHub is valued at \$1,200 per year, but your PTA will be getting it for free because MemberHub and **Mississippi** PTA want to further the PTA mission through easy-to-use technology.
